

M. L. Kakadia National School

CBSE BOARD SCHOOL

It was on June 13th, 2011 that our institute put one more feather in its cap. It was the beginning for classes from 1st to 4th of M.L. Kakadia National School and the journey henceforth will continue.

We believe in....

"Let quality and excellence be signature of you; let each work of you be an example too." Always rise above our excuses.

Our Journey begins....

We welcome boys and girls above the age of 5 without any discrimination of caste or creed. On entering M.L. Kakadia National School there is a vibrant buzz with children absorbed in many activities including role play etc. You will see immediately feel that our children simply love to learn and come to school. Of course we use the outstanding facilities provided by our institute. We strive hard and think critically to build elegant personality with a combination of brain and heart, having good civic sense. Ours is a journey of exploration, discovery and carefully planned activities to enhance the development of a child in every way. We give our children the best possible start to build a strong base to support the future ahead.
